

NOTICE

Husker Ag, LLC (“Husker Ag”) is strongly committed to protecting your privacy online when visiting our Site. Husker Ag knows that you care how information about you is used and shared and we appreciate your trust that we will do so carefully and sensibly. Husker Ag further recognizes your need for appropriate protection and management of any personally identifiable information (“Personal Information”) you share with us. This Privacy Policy Notice outlines the information Husker Ag will collect on the Husker Ag Site and how we will use that information. By visiting HuskerAg.com (the “Site”), you are accepting the practices described in this Privacy Policy Notice.

TYPES AND USES OF PERSONAL INFORMATION

Personal Information means any information that may be used to identify an individual, including, but not limited to, a first and last name, a home or other physical address, an e-mail address or other contact information, whether at work or at home. For each user to the Husker Ag Site, our web server automatically recognizes and collects the individual’s domain name and IP address, not their email address. The domain and IP address reveal nothing personal about you other than the IP address from which you have accessed our site. We use this information to examine our site traffic in aggregate, but do not collect and evaluate this information for individuals.

The only Personal Information Husker Ag obtains about individual users to its Site is that supplied voluntarily by users. In cases when Husker Ag may need additional Personal Information to provide users with customized content or to inform them about new features or services, users are explicitly asked for that information.

Your Personal Information is used in the following ways:

- Customer Feedback and Support. Provides a mechanism for requesting information from Husker Ag. Also used to tell us how we can improve our products, services and site designs.

- Email Correspondence. Used to raise and respond to issues and inquiries of all types. Also used to distribute information about Intel, our products, and services.

- We have your consent to share the Personal Information;

- We need to share your Personal Information to provide the product or service you have requested;

- We need to send the Personal Information to companies who work on behalf of Husker Ag to provide a product or service to you. (Unless we tell you differently, these companies do not have any right to use the Personal Information we provide beyond what is necessary to assist us.); or

- We find that your actions on our Site violate the Terms of Use or any of our usage guidelines for specific products or services.

EXCEPT AS DISCLOSED IN THIS PRIVACY NOTICE, Husker Ag does not sell, lend, rent or otherwise disclose any personal information to any third parties. HOWEVER, YOUR PERSONAL INFORMATION MAY BE SHARED WITH AFFILIATES, AGENTS OR CONTRACTORS OF HUSKER AG.

IPADDRESSES

An IP address is a number automatically assigned to your computer whenever you access the Internet. All computer identification on the Internet is conducted with IP addresses, which allow computers and servers to recognize and communicate with each other. Husker Ag collects IP addresses in order to conduct system administration, report aggregate information and to conduct site analysis. If a user requests pages from Husker Ag, the Husker Ag servers enter the user's IP address into a log. To maintain user anonymity, Husker Ag does not associate IP addresses with records containing Personal Information.

However, Husker Ag will use IP addresses to identify any users who refuse to comply with Husker Ag's rules or terms of service, to identify users who threaten our service, Site, customers or others, to enforce our legal rights or when required to do so by law enforcement authorities.

COOKIES

Our Site will not place cookies in the browser files of your computer.

DISCLOSURE REQUIRED BY LAW.

Unfortunately, due to the existing regulatory environment, we cannot insure that all of your private communications and other Personal Information will never be disclosed in ways not otherwise described in this privacy policy. By way of example (without limiting the foregoing), we may be forced to disclose information to the government or third parties under certain circumstances, or third parties may unlawfully intercept or access transmissions or private communications. Further, we can (and you authorize us to) disclose any information about you to law enforcement or other government officials as we, in our sole discretion, believe necessary

or appropriate. Therefore, although we use industry standard practices to protect your privacy, we do not promise, and you should not expect, that your Personal Information or private communications will remain private.

EXTERNAL LINKS

In order to provide users with greater value, Husker Ag may provide links to various third-party sites. However, even if a third-party affiliation exists between Husker Ag and that destination site, Husker Ag exercises no authority over linked sites, each of which maintains independent privacy and data collection policies and procedures. Husker Ag assumes no responsibility or liability for these independent methods or actions and is not responsible for the independent policies or procedures of destination sites. Similarly, Husker Ag cannot take responsibility for the privacy initiatives or the content of such sites. These destination links are provided only for your convenience, and as such, you access them at your own risk.
