Notwithstanding the preceding provisions for allocating income, gains, losses, deductions and credits, the following limitations, regulatory allocations and contingent reallocations are intended to comply with applicable income tax Treasury Regulations under Section 704(b) of the Code and shall be so construed when applied. Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Treasury Regulations. This Section 5.5(b) is intended to comply with the minimum gain chargeback requirements in Section 1.704-2(i)(4) of the Treasury Regulations and shall be interpreted consistently therewith.

(c) *Qualified Income Offset.* In the event a deficit balance in a Member's capital account in excess of the sum of (i) the amount such Member is obligated to restore or contribute to the Company

This Section 5.5(c) is intended, and shall be so construed, to provide a “qualified income offset” within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Treasury Regulations.

(d) *Gross Income Allocations.* In the event that a deficit balance in a Member’s Capital Account at the end of any tax year is in excess of the sum of (i) the amount such Member is obligated to restore or contribute to the Company under this Operating Agreement and (ii) the amount such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Treasury Regulations §§ 1.704-2(g)(1)(ii) and 1.704-2(i)(5), the Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 5.5(d) shall be made only if and to the extent that the Member would have a deficit balance in its Capital Account in excess of such sum after all other allocations provided for in this Section have been made as if Section 5.5(c) and this Section 5.5(d) were not in this Operating Agreement.

(e) *Nonrecourse Deductions.* Nonrecourse Deductions shall be specially allocated to the Members in proportion to the allocation of Losses under Section 5.4.

(f) *Member Nonrecourse Deductions.* Any Member Nonrecourse Deductions for any tax year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Section 1.704-2(i)(1) of the Treasury Regulations.

(g) *Members’ Shares of Excess Nonrecourse Debt.* The Members’ shares of excess Company Nonrecourse Debt within the meaning of Section 1.752-3(a)(3) of the Treasury Regulations shall be determined in accordance with the manner in which it is reasonably expected that the deductions attributable to such Company Nonrecourse Debt will be allocated.

(h) *Curative Allocations.* The allocations set forth in subsections (a), (b), (d), and (d) (the “Regulatory Allocations”) are intended to comply with certain requirements of the Treasury Regulations under Section 704(b). Notwithstanding any other provision of this Article V (other than the Regulatory Allocations), the Regulatory Allocations shall be taken into account in allocating other items of income, gain or loss among the Members so that, to the extent possible, the net amount of allocations of such items of income, gain or loss and the Regulatory Allocations to each Member shall be equal to the net amount that would have been allocated to such Member if the Regulatory Allocations had not occurred. For this purpose, future Regulatory Allocations under Section 5.5(a) and (b) shall be taken into account that, although not yet made, are likely to offset other Regulatory Allocations made under Section 5.5(f) and (g).

5.6 Proration of Allocations. All income, gains, losses, deductions and credits for a tax year allocable with respect to any Members whose Units may have been transferred, forfeited, reduced or changed during such year should be allocated based upon the varying interests of the Members throughout the year. Provided, however, no Member has a right to any distribution prior to the dissolution of the Company without the approval of the Board.

(b) The Board may agree to distribute to the Members in kind any property held by the Company. Any such distribution of property shall be referred to herein as a "**Distribution in Kind.**" The value of any such Distribution in Kind at the time of such distribution shall be determined in accordance with paragraph (d) of this Section 5.8 and such distribution shall be made to the Members in accordance with paragraph (c) of this Section 5.8. Distributions in Kind, made pursuant to this paragraph (b), shall be subject to such restrictions and conditions as the Board shall have determined are necessary or appropriate in order for such distributions to be made in accordance with applicable law.

(c) Subject to the following provisions of this paragraph (c), any distribution of Profits in accordance with this Section 5.8, and any distribution, other than Profits, of cash pursuant to paragraph (a) of this Section 5.8 or Distribution in Kind pursuant to paragraph (b) of Section 5.8, shall be made to the Members according to their Percentage Interests. Class A-1 Members shall, unless prohibited by applicable law, have the following discretionary distribution preferences: (i) no distributions may be made to the Class A Members or Class AA Preferred Members without making the same pro-rata distributions on a per Unit basis to the Class A-1 Members; and (ii) the Board may, in its sole discretion, declare distributions to the Class A-1 Members without declaring the same per Unit distribution to the Voting Members, up to a maximum cumulative total distribution to all Class A-1 Members as a class in the amount of \$1,000,000.

(d) The Value of any Distribution in Kind as of any date of determination (or in the event such date is a holiday or other day that is not a business day, as of the next preceding business day) shall be the estimated fair market value of any property distributed, as determined by the Board of Directors in its sole discretion.

(e) All distributions are subject to set-off by the Company for any past-due obligation of the Members to the Company.

(f) Members shall not receive salaries or compensation from the Company solely in their capacities as Members or for the use of their capital.

5.9 Other Allocation Rules. For purposes of determining the Profits, Losses, or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Board, using any permissible method under Section 706 of the Code and the Treasury Regulations thereunder.

5.10 Compliance with Section 704(b) of the Code. The provisions of this Article as they relate to the maintenance of Capital Accounts are intended, and shall be construed, and, if necessary, modified to cause the allocations of profits, losses, income, gain and credit pursuant to Article V to have substantial economic effect under the Treasury Regulations promulgated under Section 704(b) of the Code, in light of the distributions made pursuant to Articles V and XI and the contributions made pursuant to Article IV. Notwithstanding anything herein to the contrary, this Agreement shall not be construed as creating a deficit

restoration obligation or otherwise personally obligate any Member or transferee to make a contribution in excess of the initial contribution or additional contribution agreed to by a majority of the Membership Voting Interests held by the Voting Members of the Company.

5.11 Transfer of Capital Accounts. In the event all or a portion of an Interest in the Company is Transferred in accordance with the terms of the Articles of Organization and this Agreement, the transferee shall succeed to that portion of the Capital Account of the transferor which is allocable to the transferred Interest.

5.13 Nonresident Members.

(a) Each Member of the Company who is a "nonresident" of the State of Nebraska ("**Nonresident Member**"), as defined by the Nebraska Department of Revenue ("**Department**"), shall execute and deliver to the Company a Nebraska Nonresident Income Tax Agreement, Form 12N ("**Form 12N**"), no later than March 15th following each tax year, declaring that the Nonresident Member will file a Nebraska income tax return with respect to such tax year and pay tax on all income derived from the Nonresident Member's Interest in the Company. The Board may cause the Company to pay to the Department any taxes that the Company is required to withhold and remit with respect to a Nonresident Member who fails to deliver such Form 12N to the Company. The payment of those taxes by the Company will be treated as a Distribution to the Nonresident Member; and therefore, it will reduce, by an equal amount, the Distributions that the Company would otherwise make to the Nonresident Member. The Board may, by delivering a written demand to the Nonresident Member, require the Nonresident Member to make a Capital Contribution of immediately available funds of any amount that the Board, by written demand to the Nonresident Member, determines is needed by the Company to discharge its withholding liability with respect to the Nonresident Member. The Nonresident Member must make that Capital Contribution within ten (10) days of the written demand.

(b) If the Nonresident Member commits any breach of the requirements set forth in Section 5.13(a), the Nonresident Member must indemnify and hold the Company harmless against any costs, penalties, payments, or damages incurred by the Company as a result of that refusal or failure. In addition to the other remedies that the Company may have, the Nonresident Member shall pay the Company interest at the lower of the Prime Rate plus three percentage points (3.00%), per annum, compounded monthly, or the highest rate of interest allowed by applicable Law, on the amount under this Section 5.13 that the Nonresident Member fails to timely pay to the Company. If a Nonresident Member fails to comply with the requirements of Section 5.13 with respect to two (2) consecutive tax years, the Company shall have the option to redeem such Member in accordance with Section 10.15 of this Agreement.

Or, in the event of a special meeting of Members, not later than the close of the fifteenth day following the day on which notice of the meeting is first mailed to Members. Each nomination shall contain such information about the nominee which shall be deemed appropriate, from time to time, by the nominating committee. Each nomination shall be accompanied by the written consent of each nominee to serve as a Director of the Company if so elected. At the meeting of Members, the Chairman of the Board shall declare out of order and disregard any nomination not presented in accordance with this section.

Except as otherwise expressly provided in this Agreement, the Articles, or the Act, the affirmative vote of a majority of the Directors present at a duly convened meeting of the Board at which a quorum is present shall constitute the act of the Board.

6.8 Place of Meeting. The Board may designate any place, either in or out of the State of Nebraska, as the place of meeting for any meeting, or may designate that the meeting shall not be held at any place but shall instead to held solely by means of remote communication. If no designation is made, the place of meeting shall be the Company's principal office. Directors may attend any such meeting in person or by telephonic or video conference call.

6.10 Quorum. The presence of a majority of the Directors shall constitute a quorum for the transaction of business. If a quorum is not present at a meeting, a majority of the Directors represented may adjourn the meeting from time to time without further notice.

6.11 Officers.

(a) The Board may elect a President and CEO, one or more Vice Presidents, Treasurer, and Secretary. Any two (2) or more offices may be held by the same person. The duties and powers of each office are as follows:

(i) President and CEO. The President and CEO shall have general supervision over the business of the Company and over the other Officers (excluding the Chairman and the Vice Chairman) and other duties incident to the office of President and CEO, and any other duties as may be from time to time assigned to the President and CEO by the Board and subject to the control of the Board in each case.

(ii) Vice President(s). The Treasurer shall disburse the funds of the Company as may be ordered by the Board, taking proper vouchers for such disbursements, and shall render to the President and CEO and the Directors, at the regular meetings of the Board, or whenever they may require it, an account of all his or her transactions as Treasurer and of the financial condition of the Company.

(iv) Secretary. The Secretary shall attend all sessions of the Board and all meetings of the Members and record all votes and the minutes of all proceedings, and shall perform like duties for committees when required. The Secretary shall keep in safe custody the seal of the Company, if one is adopted, and, if so, have authority to affix the seal to all documents requiring it and attest to the same.

(b) The Officers of the Company shall be elected annually by the Board at the first meeting of the Board held after each annual meeting of Members. If the election of Officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Vacancies may be filled or new offices created and filled at any meeting of the Board. Each Officer shall hold office until his or her successor shall have been duly elected and qualified or until his or her death, or until he or she shall resign or shall have been removed in the manner hereinafter provided. Election or appointment of an Officer or agent shall not of itself create contract rights.

(c) Any Officer or agent may be removed by the Board at any time with or without cause, but such removal does not affect the contract rights, if any, with the Company of the person so removed.

(d) A vacancy in any office because of death, resignation, removal, disqualification or otherwise, may be filled by the Board for the unexpired portion of the term. An Officer may resign at any time by delivering notice to the Company. A resignation is effective when the notice is delivered unless the notice specifies a later effective date. If a resignation is made effective at a later date and the Company accepts the future effective date, the Board may fill the pending vacancy before the effective date if the Board provides that the successor does not take office until the effective date.

(e) Officers shall owe the fiduciary duties described in Section 21-138 of the Act to the same extent as such fiduciary duties are applicable to Directors.

6.12 Liabilities of Directors. In carrying out their duties hereunder, the Directors shall not be liable to the Company or to any Member for any actions taken in good faith and reasonably believed by them to be in the best interest of the Company or in reliance on the provisions of this Agreement or the Articles, or for good faith errors of judgment, but shall only be liable for misconduct or negligence in the performance of their duties as Directors. The Directors shall not be expected to devote their full time and attention to the affairs of the Company, but shall devote such amounts of time and attention as are reasonable and appropriate in their good faith judgment under the circumstances prevailing from time to time.

6.13 Indemnification of the Directors, their Affiliates and Control Persons.

(a) Neither the Directors nor any Officer shall be liable to the Company or any Member for any act or omission based upon errors of judgment or other fault in connection with the business or affairs of the Company if the Board determines that such course of conduct was in the best interest of the Company and did not result from the negligence or misconduct of such Director or Officer.

(b) To the fullest extent permitted by law, the Directors and Officers (each such person being referred to herein as an “**Indemnitee**”), shall be indemnified and held harmless by the Company from and against any and all losses, claims, damages, settlements and other amounts arising from any and all claims (including attorneys’ fees and expenses, as such fees and expenses are incurred), demands, actions, suits or proceedings (civil, criminal, administrative or investigative), in which they may be involved, as a party or otherwise, by reason of their management of the affairs of the Company, whether or not they continue to be such at the time any such liability or expense is paid or incurred; provided that Indemnitee shall not be

entitled to the foregoing indemnification if a court of competent jurisdiction shall have determined that such losses, claims, damages, liabilities, expenses or such other amounts resulted primarily from the negligence or misconduct of such Indemnatee. The termination of a proceeding by judgment, order, settlement or conviction upon a plea of nolo contendere, or its equivalent, shall not, of itself, create any presumption that such losses, claims, damages, liabilities, expenses or such other amounts resulted primarily from the negligence or misconduct of any Indemnatee or that the conduct giving rise to such liability, was not in the best interest of the Company. The Company shall also indemnify any Indemnatee who was or is a party or is threatened to be made a party to any threatened, pending or completed action by or in the right of the Company to procure a judgment in its favor by reason of the fact that such Indemnatee is or was an agent of the Company, against any losses, claims, damages, liabilities, expenses or any other amounts incurred by such Indemnatee in connection with the defense or settlement of such action; provided that no Indemnatee shall be entitled to the foregoing indemnification if a court of competent jurisdiction shall have determined that any such losses, claims, damages, liabilities, expenses or such other amounts resulted from the negligence or misconduct of such Indemnatee. The Company may advance any Indemnatee any expenses (including, without limitation, attorneys' fees and expenses) incurred as a result of any demand, action, suit or proceeding referred to in this paragraph (b) provided that (i) the legal action relates to the performance of duties or services by the Indemnatee on behalf of the Company; and (ii) the Indemnatee gives a full recourse promissory note to the Company for the amounts of such advances payable in the event that the Indemnatee is determined to be not entitled to indemnification hereunder.

(c) The indemnification provided by paragraph (b) of this Section 6.13 shall not be deemed to be exclusive of any other rights to which any Indemnatee may be entitled under any agreement, as a matter of law, in equity or otherwise, and shall continue as to an Indemnatee who has ceased to have an official capacity and shall inure to the benefit of the heirs, successors and administrators of such Indemnatee.

(d) Any indemnification pursuant to this section will be payable only from the Company's assets.

6.14 Transactions with the Directors or their Affiliates. The Board, on behalf of the Company, may enter into contracts with the Directors, Officers or Members (or their Affiliates), provided that any such transactions shall be on terms no more favorable to the Directors, Officers, Members (or their Affiliates) than generally afforded to non-affiliated parties in a similar transaction.

6.15 Conflicts of Interest. Subject to the other express provisions of this Agreement, the Directors at any time and from time to time may engage in and possess interests in other business ventures of any and every type and description, independently or with others, including ones in competition with the Company, with no obligation to offer to the Company or any other Member the right to participate therein.

ARTICLE VII RIGHTS AND OBLIGATIONS OF MEMBERS

7.1 Limitation of Liability. Each Member's liability shall be limited as set forth in this Agreement, the Act and other applicable law.

7.2 Company Debt Liability. A Member will not be personally liable for any debts or losses of the Company beyond his or her respective Capital Contributions except as provided in Section 7.6 or as otherwise required by law.

7.3 Liability to Third Parties. No Member or Director is liable for the debts, obligations or liabilities of the Company, whether arising in contract, tort or otherwise, including under a judgment, decree or order of a court.

7.4 Lack of Authority. No Member (other than a Director or an Officer as provided under Article VI) has the authority or power to act for or on behalf of the Company, to do any act that would be binding on the Company or to incur any expenditures on behalf of the Company.

7.5 List of Members. Members may obtain a copy of the Membership Register in accordance with the provisions of Section 11.5.

7.6 Member Liability to the Company.

(a) A Member who rightfully receives the return in whole or in part of its Capital Contribution is nevertheless liable to the Company to the extent now or hereafter provided by the Act.

(b) A Member who receives a Distribution made by the Company: (i) which is either in violation of this Agreement, or (ii) when the Company's liabilities exceed its assets (after giving effect to the Distribution), is liable to the Company for a period of six (6) years after such Distribution for the amount of the Distribution.

7.7 Representations and Warranties. Upon signing this Agreement or an Addendum hereto, each Member represents and warrants to the Company that: (i) the Member has full power and authority to execute this Agreement or such Addendum and to agree to this Agreement and to perform its obligations hereunder, and that all actions necessary for the due authorization, execution, delivery and performance of this Agreement or such Addendum by that Member have been duly taken; (ii) the Member has duly executed and delivered this Agreement or an Addendum hereto; and (iii) the Member's authorization, execution, delivery, and performance of this Agreement and/or Addendum hereto do not conflict with any other agreement or arrangement to which the Member is a party or by which the Member is bound.

(b) The Members acknowledge that, from time to time, they may receive information from or concerning the Company in the nature of trade secrets or that otherwise is confidential, the release of which may damage the Company or Persons with which it does business. Each Member shall hold in strict confidence any information that it receives concerning the Company that is identified as being confidential (and if that information is provided in writing, that is so marked) and may not disclose it to any Person other than another Member or the Director, except for disclosures (i) compelled by law (but the Member must notify the Director promptly of any request for that information, before disclosing it, if legal and practicable); (ii) to Persons to whom that Member's Interest may be transferred as permitted by this Agreement, but only if the recipients have agreed to be bound by the provisions of this Section 7.8; or (iii) of information that the Member also has received from a source independent of the Company and the Member reasonably believes that source obtained the information without breach of any obligation of confidentiality. The Members acknowledge that breach of the provisions of this Section 7.8 may cause irreparable injury to the Company for which monetary damages are inadequate, difficult to compute, or both. Accordingly, the Members agree that the provisions of this Section 7.8 may be enforced by specific performance.

7.9 Membership Certificates. "**Membership Certificates**" in the form determined by the Board may be delivered representing all Interests to which Members are entitled. If issued, such Membership Certificates shall be consecutively numbered, and shall be entered in the books of the Company and on the Membership

Register, as they are issued. Each Membership Certificate shall state on the face thereof the holder's name, the Interests and such other matters as may be required by applicable laws. Each such Membership Certificate shall be signed by one or more Officers of the Company and may be sealed with the seal of the Company or a facsimile thereof if adopted. The signature of the Officers upon the Membership Certificates may be facsimile. Subject to Article X, upon surrender to the Company of a Membership Certificate for Interests duly endorsed or accompanied by proper evidence of succession, assignment or authority to Transfer, it shall be the duty of the Company to issue a new Membership Certificate to the person entitled thereto, cancel the old Membership Certificate and record the transaction upon its books and records and the Membership Register. Each Member hereby agrees that the following legend, as the same may be amended by the Board in its sole discretion, may be placed upon any counterpart of this Agreement, the Membership Certificates, or any other document or instrument evidencing ownership of Units:

(b) Holders of Class A-1 Units shall not be entitled to vote at any meeting of Members of the election of directors, or for any other purpose, except with respect to the following events:

(i) the sale, exchange or other transfer of all or substantially all of the assets of the Company other than in the ordinary course of business pursuant to Section 8.1(d) of this Agreement;

(ii) the merger or consolidation of the Company with another entity pursuant to Section 8.1(d) of this Agreement;

(iii) a proposed dissolution of the Company pursuant to Section 13.1 of this Agreement;
and

(iv) any amendment to this Agreement where the vote of holders of Class A-1 units is required pursuant to Section 14.5 of this Agreement.

(c) On those matters on which the Class A-1 Members are entitled to vote, the Class A-1 Members shall have the voting rights as defined by the Membership Voting Interest of such Members and in accordance with the provisions of this Agreement. Except as otherwise provided by Section 14.5 of this Agreement (related to certain amendments to this Agreement) or by applicable law, on any matter upon which the Class A-1 Members are entitled to vote, the Class A-1 Members shall vote together with the Voting Members as a single class, and not as a separate class.

(d) Unless otherwise expressly provided in this Agreement, the affirmative vote of a majority of the aggregate Membership Voting Interests represented by Voting Members entitled to vote at any meeting at which there is a quorum present shall be the act of the Members; provided, however, that a Super-Majority

Vote of all Members, including holders of Class A Units, Class AA Preferred Units and Class A-1 Units, all voting as a single class, shall be required for approval of the following actions: (a) the sale, exchange or other transfer of all or substantially all of the assets of the Company other than in the ordinary course of business; and (b) the merger or consolidation of the Company with another entity.

8.2 Cumulative Voting. At each election for Directors, every Voting Member entitled to vote at such election shall have the right to vote, in person or by proxy, the number of Voting Units owned by such Voting Member, as applicable, for as many persons as there are Directors to be elected and for whose election he or she has a right to vote, or to cumulate his or her votes by giving one candidate as many votes as the number of such Directors multiplied by the number of his or her Voting Units, or by distributing such votes on the same principle among any number of candidates.

8.3 Meetings of Members. The annual meeting of Members shall be held on such date as the Board shall by resolution specify within a period no later than nine months following the end of each fiscal year. At each annual meeting, Members shall conduct such business as may be properly presented to such meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. Special meetings of Members of the Company may be called by the Chairman of the Board, by any three (3) Directors, upon the written demand of Class A Members holding at least ten percent (10%) of the total outstanding Class A Units, or upon the written demand of Class AA Preferred Members holding at least ten percent (10%) of the total outstanding Class AA Preferred Units and shall be held at the principal place of business of the Company, or elsewhere as the notice of such meeting shall direct. Members may attend any such meeting in person (including by remote communication, if the meeting is held by such means) or by proxy. Holders of Class A-1 Units shall be entitled to attend all meetings of Members, and to participate in the discussion at such meetings in accordance with rules and procedures established by the Board of Directors, regardless of the Class A-1 members' right to vote on any proposals or other matters before the meeting.

8.4 Place of Meeting; Meetings by Remote Communication.

(a) The Board of Directors may designate any place, either in or out of the State of Nebraska, as the place of meeting for any meeting, or may designate that the meeting shall not be held at any place but shall instead be held solely by means of remote communication. If no designation is made, the place of meeting shall be the Company's principal office.

(b) Any meeting of the Members may be held by, and any Member may participate in any meeting by, any means of remote communication determined appropriate by the Board of Directors, including, without limitation, telephone, video conference call, or other telecommunications equipment or methods, (whether now existing or hereafter created) by which (a) the Company can verify that each person so participating is a Member and (b) such Member has a reasonable opportunity to participate in the meeting and to vote on matters submitted to the Members, including an opportunity to communicate, and to read or hear the proceedings of the meeting, substantially concurrently with such proceedings. A Member participating in a meeting by any such means of remote communication is deemed to be in attendance at and present "in person" at the meeting.

8.5 Notice of Meetings. Written notice stating the date time and place (or means of remote communication) of the meeting and a description of the purpose or purposes for which the meeting is called, shall be mailed, unless oral notice is reasonable under the circumstances, not fewer than ten (10) nor more than sixty (60) calendar days before the date of the meeting, by or at the direction of the Board of Directors to each Member. If mailed, such notice is effective when mailed addressed to the Member's address shown in the Company's current record of Members, with postage prepaid.

8.6 Quorum. The presence, in person or by proxy, of Members representing a majority of the Percentage Interests entitled to vote with respect to the matters before the meeting shall constitute a quorum for the transaction of business. If a quorum is not present at a meeting, Members representing a majority of the Percentage Interests entitled to vote with respect to the matters before the meeting may adjourn the meeting from time to time without further notice.

ARTICLE IX WAIVER AND CONSENT

9.1 Written Waiver. Whenever any notice whatsoever is required to be given under the provisions of this Agreement or under the provisions of the Articles or the Act, waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

9.2 Waiver by Attendance. A Member's or Director's attendance at a meeting of the Members or Directors, respectively: (i) waives objection to lack of notice or defective notice of the meeting, unless the Member or Director at the beginning of the meeting or promptly upon the Member's or Director's arrival objects to holding the meeting or transacting business at the meeting, and (ii) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the Member or Director objects to considering the matter when it is presented.

9.3 Consent to Action Without Meeting. Any action required or permitted to be taken by the Members or Directors by vote may be taken without a meeting on written consent. The consent shall set forth the actions so taken and be signed by a Two-Third's Majority of the Directors or those Members entitled to vote with respect to such action.

ARTICLE X TRANSFER OF MEMBERSHIP INTERESTS

10.1 Restrictions on Transfer. No Member shall Transfer all or any portion of an Interest without the prior written consent of the Board of Directors which consent may be withheld in the sole discretion of the Board. Transfers in violation of this Article shall not be effective for any purpose. Notwithstanding anything contained herein to the contrary, no Member shall Transfer any Unit if, in the determination of the Board, such Transfer would (i) cause the Company to be treated as a Publicly Traded Partnership; (ii) result in the number of Class A Members of record equaling three hundred (300) or more, or such other number as required to maintain the suspension of the Company's duty to file reports pursuant to Rule 12h-3 of the Securities Exchange Act of 1934, as amended; or (iii) result in the number of Class AA Preferred Members or Class A-1 Members of record equaling five hundred (500) or more, or such other number that would otherwise require that the Company register one or more classes of Units with the Securities and Exchange Commission. Any Transfer of Unit(s) not approved by the Board of Directors or that would result in a violation of the restrictions in this Agreement or applicable law shall be null and void with no force or effect whatsoever, and the intended transferee shall acquire no rights in such Unit(s).

10.2 Permitted Transfers. (i) First, subject to the limitations set forth in Section 13.6(b), all Members shall be entitled to receive all of their respective declared but unpaid distributions as determined in accordance with Section 5.8 of this Agreement.

(ii) Second, Class A-1 Members shall be paid such discretionary liquidation payment, if any, declared by the Board pursuant to Section 13.5 of this Agreement in an amount not to exceed \$1,000,000 in the aggregate.

(iii) Third, Class AA Preferred Members shall be entitled to receive from the assets of the Company legally available for distribution to Members, prior and in preference to any distribution of any of the assets to Class A Members or Class A-1 Members an amount per Class AA Preferred Unit equal to the original issue price per Unit (\$700 per unit); provided, however, if the assets and funds thus distributed among the Class AA Preferred Members shall be insufficient to permit the payment to such Members of the full preferential amount each such Member is otherwise entitled to receive, then the entire assets and funds of the Company for distribution to Members (other than the discretionary liquidation payment, if any, provided for in Section 13.6(a)(ii) above) shall be distributed ratably among the Class AA Preferred Members based on the number of Class AA Preferred Units held by such Members.

(iv) Fourth, after the distribution to Class AA Preferred Units provided for in Section 13.6(a)(iii) above has been fully paid, the remaining assets of the Company legally available for distribution to Members, shall be distributed to Class A Members and Class A-1 Members in an amount per Unit equal to \$700 per Unit; provided, however, if the assets and funds thus distributed among the Class A Members and Class A-1 Members shall be insufficient to permit the payment to such Members the amount of \$700 per Unit, then the entire remaining assets and funds of the Company for distribution to Members shall be distributed ratably among Class A Members and Class A-1 Members based on the number of Class A Units and Class A-1 Units held by such Members, without distinction between Class A Units and Class A-1 Units.

(v) Fifth, after the distributions provided for in Sections 13.6(a)(i) through 13.6(a)(iv) above have been fully paid, the remaining assets of the Company legally available for distribution to Members shall be distributed ratably to Class A Members, Class A-1 Members and Class AA Preferred Members based on the number of Class A Units, Class A-1 Units and Class AA Preferred Units held by such Members, without distinction as to class.

(b) Notwithstanding any other provision herein to the contrary, in the event of (i) a Liquidation Event of the Company; or (ii) a Sale of Assets Event, no distributions or other payments shall be declared or paid by the Company to any Members in connection with, or in contemplation of, such Liquidation Event or Sales of Assets Event, except for distributions provided for in Sections 13.6(a)(ii) through 13.6(a)(v) above.
