

Husker Ag, LLC Trading System Rules and Procedures

Amended effective August 1, 2018

The following sets forth the Husker Ag, LLC (“Husker Ag”) rules and procedures which govern the trading of its membership units (“Units”) through the Husker Ag qualified trading system (“Trading System”), adopted in accordance with IRS regulations regarding qualified matching services, and constitutes a Qualified Matching Service Program as defined in Section 1.28 of the Husker Ag, LLC Fourth Amended and Restated Operating Agreement, as amended (“Operating Agreement”). These Rules and Procedures may be modified by Husker Ag from time to time.

I. Husker Ag Bulletin Board

A. Location: The Husker Ag Bulletin Board used in the Trading System will be located at the principal business office of Husker Ag’s ethanol plant located 3½ miles east of Plainview, Nebraska on US Highway 20. Interested buyers or sellers of Units will be required to provide the required information either through a personal visit to the Husker Ag office, calling into the office at (402) 582-4446 (ask for Lisa Hedstrom) or through facsimile transmission to Husker Ag at (402) 582-3888 (Attention: Lisa Hedstrom). Husker Ag personnel will transcribe the information received onto the Trading System Bulletin Board.

B. Non-Firm Quotations: The Trading System displays only quotes by sellers or buyers that do not commit any person to buy or sell a Unit at the quoted price (nonfirm price quotes). All references to “offers to buy” or “offers to sell” Units in these Rules and Procedures are qualified by reference to this Section I(B). The display of a bid or ask price from either a potential seller or buyer does not constitute a firm commitment or obligation by such person to sell or buy at such price and is subject to the execution of a written purchase agreement between the seller and buyer and to the approval of the Husker Ag Board of Directors, in compliance with the Operating Agreement.

II. Trading Periods

A. Quarter Periods: Buyers and sellers may list “offers to buy” or “offers to sell” Units on the Trading System on a quarterly basis with the respective listing periods commencing on the first day of the second month of each fiscal quarter (February 1st, May 1st, August 1, and November 1st).

The former trimester trading periods were intended to follow the filing of quarterly or annual reports by Husker Ag with the Securities and Exchange Commission (“SEC”). However, the company deregistered from the SEC in 2008 and is therefore no longer required to file quarterly or annual reports with the SEC. The company’s older reports

are available through the SEC Edgar filing system at www.sec.gov. In 2017, the Board adopted a Distribution Policy providing for regularly quarterly distributions and revised the trading periods under the Trading System to correspond with the distribution timing.

Husker Ag currently intends to provide its members with updated financial information with respect to the preceding fiscal quarter prior to the start of each listing period. Interested buyers of Units who are not members of the company are urged to contact Husker Ag to obtain copies of the financial information provided to the members by calling the office at (402) 582-4446 (ask for Lisa Hedstrom). Husker Ag reserves the right to establish any procedures that it deems necessary to restrict access of non-public financial information to nonmembers (e.g., nondisclosure agreements will need to be signed by any such party)

B. Listing Period: Each trading period will begin with a 15-day listing period during which sellers may submit and post “offers to sell” containing an asking price, and buyers may submit and post “offers to buy” containing a bid price. The first day of the second month of each fiscal quarter is the “Initial Posting Date” and the date that the seller’s or buyer’s respective offer to sell or offer to buy is posted on the Husker Ag Bulletin Board will constitute the “Posting Date,” for purposes of compliance with the Trading System Rules. **The posting of “offers to sell” and “offers to buy” is permitted solely during the 15 calendar days following the Initial Posting Date** (the “Listing Period”). After such 15 calendar days have passed, the Listing Period is terminated, and all further activity on the Trading System Bulletin Board is suspended until the commencement of the next Listing Period. The information posted on the Bulletin Board will remain on the Board for an additional 15 calendar days following the end of the Listing Period, after which all seller and buyer postings will be removed from the Bulletin Board until the commencement of the next Listing Period.

C. Timing Requirements for Purchase Agreements: **Sellers and buyers of Units cannot enter into a purchase agreement to sell Units until the 15th calendar day after the Posting Date in effect for the Units to be sold.** The Posting Date in effect for the Units to be sold is the later of the seller’s or the buyer’s Posting Date. For example, if either a seller’s “offer to sell” or buyer’s “offer to buy” is not posted until the 14th day following the Initial Posting Date of the Listing Period, seller and buyer cannot enter into a purchase agreement to sell Units until the 29th calendar day following the Initial Posting Date. All agreements between sellers and buyers with respect to the Units are subject to Husker Ag Board of Director approval and submitted to the Husker Ag Board for approval in accordance with the time periods described below.

D. Timing Requirements for Approval of Purchase Agreements: A purchase agreement in written form executed by both buyer and seller (“Purchase Agreement”) must be submitted to the Husker Ag Board of Directors for approval by the following deadlines:

- (1) For the Listing Period commencing February 1st: By the following March 15th.

- (2) For the Listing Period commencing May 1st: By the following June 15th.
- (3) For the Listing Period commencing August 1st: By the following September 15th.
- (4) For the Listing Period commencing November 1st: By the following December 15th.

The Husker Ag Board of Directors will then consider the Purchase Agreement and the accompanying request for transfer of Units at the next regularly scheduled Board meeting following the submission date. In accordance with the Board's current Board meeting schedule, this will be the March Board meeting for the February 1st Listing Period, the June Board meeting for the May 1st Listing Period, the September Board meeting for the August 1st Quarter, and the December Board meeting for the November 1st Listing Period. The Husker Ag Board may also consider submitted Purchase Agreements and requests for transfer at specially held meetings of the Board, but is under no obligation to call a special meeting for the consideration of such agreements.

In making its determination for approval, the Husker Ag Board will consider whether the Transfer Request Form requesting transfer of Units and accompanying Purchase Agreement have complied in all respects with the Trading System Rules and Procedures, the Husker Ag Operating Agreement requirements, as well as compliance with applicable laws and regulations, including IRS regulations governing publicly traded partnerships, and federal and state securities laws. All references to Purchase Agreements in these Rules and Procedures are qualified by reference to the foregoing requirements.

E. Closing Dates for Approved Purchase Agreements: Under IRS regulations, the closing of the sale effected through the Trading System cannot occur prior to the 45th day following the Posting Date for such sale. "Closing" is defined as the earlier of (i) the passage of title to the Units (which will occur upon transfer of the Units on the official register of Husker Ag maintained by its stock transfer agent), or (ii) the payment of the purchase price from buyer to seller for the purchase of the Units.

In accordance with Section 10.9(b) of the Husker Ag Operating Agreement, the Husker Ag Board has established the fiscal quarter trading period described herein as an Interim Transfer Period with respect to transfers effected through the Trading System. As a general rule, the transfer of title to the Units sold pursuant to the Trading System will be effective as of 11:59 p.m. on the last day of the applicable quarter (March 31, June 30, September 30, and December 31). These effective dates are subject to change by the Husker Ag Board from time to time. Distributions with a

record date before the date of transfer of title to the Units sold will be made to the transferor, and distributions with a record date after the date of transfer of title will be made to the transferee. Distributions made on the date of transfer of title to the Units will be made to the transferor, in accordance with Section 10.9(b) of the Operating Agreement.

In accordance with Husker Ag's current distribution policy, distributions are generally made following each fiscal quarter. Each quarterly distribution is announced no later than one month following the end of each fiscal quarter (April 30th, July 31st, October 31st, and January 31st) and thus before the commencement of the following Listing Period. The announcement will include both the record date for the distribution and the amount per unit of the distribution.

To ensure that the IRS regulatory requirements are met, Husker Ag will require that the payment of the purchase price from buyer to seller under the terms of the Purchase Agreements not occur until after the Purchase Agreement has been approved by the Husker Ag Board of Directors and no earlier than 45 days after the Posting Date. Accordingly, the **earliest possible date of payment** with respect to each Listing Period (assuming the Posting Date is the first date of the Listing Period) is as follows:

- (1) For the Listing Period commencing February 1st: No earlier than March 15th.
- (2) For the Listing Period commencing May 1st: No earlier than June 15th.
- (3) For the Listing Period commencing August 1st: No earlier than September 15th.
- (4) For the Listing Period commencing November 1st: No earlier than December 15th.

III. Selling Membership Units

A. Contacting Husker Ag for Placement on the Bulletin Board. A seller must first contact Husker Ag as described in Section I above and complete a Seller Registration Form. A copy of the Seller Registration Form is attached as Appendix A. The information on the Seller Registration Form will require the seller to provide:

Name
Address, City, State, Zip Code
Telephone Number
E-mail Address
Number and Class of Units proposed to be sold
Seller's Nonfirm Price Quote (on a per Unit basis)

B. Posting of Offer to Sell.

1. *Placing an Offer to Sell.* After completing the Seller Registration Form, the seller will be allowed to place an “offer to sell”, subject to Husker Ag’s review and verification as set forth below. Note: In the offer to sell, the Seller must submit Units for sale in whole units and in whole dollars and cents. No “offer to sell” of partial or fractionalized Units may be posted on the Trading System.
2. *Husker Ag Verification.* Upon submission of an “offer to sell” for posting to the Trading System Bulletin Board, Husker Ag may take appropriate steps for the purpose of verifying ownership of the Units and determining whether the seller’s Units are qualified to be sold. If Husker Ag determines that the seller is not eligible for trading for any reason, Husker Ag will promptly notify the seller and either not list the “offer to sell” or (if already listed) remove the “offer to sell” from the Trading System Bulletin Board.
3. *Confirmation of Offer to Sell.* It is the seller’s responsibility to confirm all “offer to sell” information placed on the Trading System Bulletin Board to avoid any mistakes that may have been made in the entry of seller’s information, including the quantity and class of Units or the price per Unit to be sold.
4. *Modification of Offer to Sell.* A seller may modify an existing “offer to sell” within the 15-day listing period. To modify an “offer to sell”, a seller must post a new “offer to sell” on the Trading System, and the new “offer to sell” will supersede and override the previous “offer to sell” made by the seller and will receive a new date of entry; the seller will also be required to wait an additional 15 calendar days before the modified “offer to sell” becomes eligible to enter into a Purchase Agreement.
5. *Cancellation of Offer to Sell Listing.* A seller may cancel an “offer to sell” listing at any time prior to the signing of a Purchase Agreement. Upon written notice of such cancellation, Husker Ag will remove the seller’s “offer to sell” from the Trading System Bulletin Board. The seller who cancels an “offer to sell” will not be eligible to post a new “offer to sell” until the following Listing Period, which new posting will not be made unless the “offer to sell” has been removed from the Trading System Bulletin Board for at least 60 calendar days.

IV. Buying Membership Units

A. Contacting Husker Ag for Placement on the Bulletin Board. A buyer must first contact Husker Ag as described in Section I above and complete a Buyer Registration Form. A copy of the Buyer Registration Form is attached as Appendix B. The information on the Buyer Registration Form will require the buyer to provide:

Name
Address, City, State, Zip Code
Telephone Number
E-mail Address
Number and class of Units proposed to be bought
Buyer's Nonfirm Price Quote (on a per Unit basis)

B. Posting of an Offer to Buy.

1. *Placing an Offer to Buy.* After completing the Buyer Registration Form, the buyer will be allowed to place an "offer to buy", subject to Husker Ag's review and verification as set forth below. Note: The buyer's "offer to buy" must be submitted in whole Units, and in whole dollars and cents. No "offer to buy" of partial or fractionalized Units may be posted on the Trading System.
2. *Husker Ag Verification.* Upon submission of a Buyer Registration Form and an "offer to buy" for posting to the Trading System Bulletin Board, Husker Ag may take appropriate steps for the purpose of verifying buyer's qualification to purchase Units in accordance with these Rules and Procedures. If Husker Ag determines that the buyer is not eligible to purchase Units, Husker Ag will promptly notify the buyer and take appropriate action, including denying a listing of buyer's offer to buy on the Trading System Bulletin Board, or removal of an existing listing on the Bulletin Board.
3. *Confirmation of Offer to Buy.* It is the buyer's responsibility to confirm all "offer to buy" information placed on the Trading System Bulletin Board to avoid any mistakes that may have been made in the entry of buyer's information, including quantity of Units or the price per Unit to be purchased.
4. *Modification of Offer to Buy.* A buyer may modify an existing "offer to buy" at any time within the 15-day listing period. To modify an "offer to buy", a buyer must post a new "offer to buy" on the Trading System, and the new "offer to buy" will supersede and override the previous "offer to buy" made by the buyer and will receive a new date of entry.

5. *Cancellation of an Offer to Buy Listing.* A buyer may cancel an “offer to buy” listing at time prior to the signing of a Purchase Agreement. Upon written notice of such cancellation, Husker Ag will remove the buyer’s “offer to buy” from the Trading System Bulletin Board. The buyer who cancels an “offer to buy” will not be eligible to post a new “offer to buy” until the following Listing Period, which new posting will not be made unless the “offer to buy” has been removed from the Trading System Bulletin Board for at least 60 calendar days.

V. *Matching of Buyers and Sellers*

A. *Seller and Buyer Responsibility to Reach Agreement.* The Husker Ag Trading System is intended solely to match a list of interested buyers with a list of interested sellers, along with the nonfirm price quotes of buyers and sellers. The Trading System will not automatically effect “matches” between potential sellers and buyers, nor will Husker Ag personnel contact buyers or sellers about “matches” occurring on the Bulletin Board. **It is the sole responsibility of those sellers and buyers listed on the Trading System to track the relevant information on the Bulletin Board and to contact each other using the contact information provided and make a determination as to whether an agreement as to price and terms may be reached.** Only those sellers and buyers who have listed “offers to sell” or “offers to buy” on the Trading System during the Listing Period will be eligible for Husker Ag Board of Director approval of any Purchase Agreement reached between a seller and buyer.

B. *Execution of Purchase Agreements.*

1. Buyer and seller are responsible for negotiating and finalizing the terms and conditions of the form of Purchase Agreement for the purchase and sale of Husker Ag Units. Husker Ag will have available for sellers and buyers upon request a base form of purchase agreement which contains the Trading System requirements and to which the parties can add their specific provisions. Buyers and sellers are responsible for obtaining their own legal or other representation in connection with such transaction. While the terms and conditions of the executed form of Purchase Agreements may vary based on the mutual agreement of buyers and sellers, Husker Ag will require that the following terms be included in all Purchase Agreements. Failure to include such terms will result in non-approval of the proposed transaction under the Husker Ag Trading System Rules and Procedures.
 - The Purchase Agreement, and closing of the sale of Unit transaction represented therein, must be subject to compliance with

the Husker Ag Trading System Rules and Procedures and the approval of the Husker Ag, LLC Board of Directors.

- The Purchase Agreement must describe the precise terms and conditions of the sale transaction, including the number of Units to be sold, the price per Unit, the total price at which the transaction will occur, and the precise legal name of the seller and buyer.
 - The Purchase Agreement must provide that the buyer will become a member of Husker Ag and execute a counterpart signature page to the Husker Ag Operating Agreement, as amended from time to time, as a condition to closing.
 - The Purchase Agreement must provide that, in compliance with the Husker Ag Trading System Rules, no consideration will be paid by the buyer to the seller until after the Purchase Agreement has been approved by the Husker Ag Board of Directors and within the time periods permitted pursuant to Section II(E) of the Trading System Rules and Procedures.
2. *Delivery of the Purchase Agreement and Transfer Request Form to Husker Ag.* After execution of the Purchase Agreement, a copy of the executed agreement and a Transfer Request Form executed by the proposed seller(s) and proposed buyer(s) must be submitted to Husker Ag for approval in accordance with the deadlines set forth in Section II(D). A copy of the Transfer Request Form is attached as Appendix C. Failure to submit the executed Purchase Agreement and Transfer Request Form by the appropriate deadlines may disqualify the proposed sale transaction for approval by the Husker Ag Board of Directors. The Husker Ag Board of Directors or management may request additional information or documentation, as deemed necessary or appropriate, as a condition to reviewing or approving the Transfer Request Form and Purchase Agreement, including completion of the Husker Ag Member Information Form by the proposed buyer.

After the Husker Ag Board either approves or disapproves the request for transfer and Purchase Agreement, Husker Ag personnel will promptly notify the buyer and seller of such decision. If approved, Husker Ag personnel will provide information concerning processing of the documentation to complete the transaction. All trades shall become effective upon such date as the Board of Directors designates in its resolution of approval. This effective date will be determined in accordance with Section II(E) above.

At the completion of each fiscal quarter, Husker Ag may post on its website the quantity and price information for each of the trades completed during the quarter. Any posting of this information from the completed trades will not include the identity of the applicable sellers or buyers.

3. Trading Timetable Summary: A Trading Timetable Summary is attached at the end of these Rules and Procedures.

VI. General Rules Concerning Husker Ag Trading System

A. Availability of Past Trading System Records: Husker Ag will retain records of the buyer and seller quotations listed on the Trading System, and information concerning finalized sales of Units, including buyer, seller, price and number of Units sold, (all of which is referred to herein as “Trading Information”) for at least three years and make them available to the Nebraska Department of Banking and Finance upon request. The three-year Trading System history will also be made available to participants in the Trading System upon request. Those buyers and sellers participating on the Husker Ag Trading System consent by such participation to the publication of all Trading Information by Husker Ag.

B. No Compensation to Be Paid to Husker Ag or Affiliates: Neither Husker Ag nor any affiliate (including directors and officers) of Husker Ag will (i) receive any compensation for creating or maintaining the Trading System; (ii) receive any compensation for the use of the Trading System; (iii) be involved in any purchase or sale negotiations arising from the Trading System; (iv) give advice regarding the merits or shortcomings of any particular trade; (v) use the Trading System directly or indirectly, to offer to buy or sell securities, except in compliance with the securities laws, including any applicable registration requirements (absent an available exemption therefrom); or (vi) receive, transfer or hold funds or securities as an incident of operating the Trading System.

Notwithstanding the foregoing, directors, officers and employees of Husker Ag may participate as buyers or sellers in the Trading System on their own behalf with respect to Units which they beneficially own, provided they comply in all respects with these Trading System Rules and Procedures. In any such transaction, such Husker Ag director, officer or employee is acting solely on his or her own behalf and is not acting in his or her capacity as a director, officer or employee of Husker Ag.

C. Limitation on Amount of Membership Units Traded in Calendar Year: Under IRS regulations, the total of Husker Ag Units which may be transferred during any taxable year (which for Husker Ag is the calendar year) cannot exceed 10% of the total of Husker Ag Units (including private transfers which may have occurred during the same year and which may equal up to 2%). The Husker Ag Trading System may be suspended at any time during a calendar year in which the maximum allowable percentage has been met.

In the event the number of Husker Ag Units proposed to be transferred pursuant to Purchase Agreements submitted to the Husker Ag Board of Directors in any quarter period would exceed the maximum allowable percentage under the IRS qualified matching services regulations, the Husker Ag Board of Directors intends to accept such Purchase Agreements which meet the Trading System requirements on a “first come, first served” basis, based on the date of submission of the Purchase Agreement to Husker Ag.

D. Additional Information Concerning the Husker Ag Trading System: Participants in the Husker Ag Trading System should be aware of the following information.

- Husker Ag Units are not listed on a national securities exchange or other regulated securities market.
- Husker Ag’s Trading System is not a registered national securities exchange, securities information processor, broker, dealer or investment adviser.
- The information set forth on the Husker Ag Trading System does not consist of firm quotes, but rather is merely a list of the names, addresses and contact information of interested sellers and buyers, the number of Units offered or desired to be purchased, and the price at which the proposed transaction would occur. Husker Ag does not assure that any particular transaction will occur as to any particular number of Units or at any particular price. All transactions between participants must be executed by the participants independent of Husker Ag or any of its affiliates.
- All applicable state and federal securities laws (including the anti-fraud and anti-manipulation provisions) apply to any offer made or transaction consummated using the Husker Ag Trading System.
- “Two-sided quotes” in which a person indicates a bid to buy at one price and an offer to sell at a higher price are prohibited.
- Under Section 4.3(a) of the Husker Ag Operating Agreement, no Class A-1 Member may transfer fewer than five Class A-1 Units to any transferee (except in the case where all Class A-1 Units owned by a Class A-1 Member are transferred to a single transferee), and no Class A-1 Member may transfer any Class A-1 Units that would result in the transferor owning fewer than five Class A-1 Units.
- Under Section 4.3(b) of the Husker Ag Operating Agreement, no Class A Member may transfer fewer than ten Class A Units to any transferee (except in the case where all Class A Units owned by a Class A Member are transferred to a single transferee), and no

Class A Member may transfer any Class A Units that would result in the transferor owning fewer than ten Class A Units.

- Under Section 4.3(c) of the Husker Ag Operating Agreement, no Class AA Preferred Member may transfer fewer than four Class AA Preferred Units to any transferee (except in the case where all Class AA Units owned by a Class AA Preferred Member are transferred to a single transferee), and no Class AA Preferred Member may transfer any Class AA Units that would result in the transferor owning fewer than four Class AA Units.
- Under Sections 4.3(d) and (e) of the Husker Ag Operating Agreement, no member together with its “affiliates” may own more than 30% of Husker Ag’s Class A membership units (if applicable) or 30% of Husker Ag’s total outstanding Class A and Class A-1 membership units. An “affiliate” of the buyer is defined as any other person (which includes legal entities as well as individuals) (a) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with the buyer, or (b) that is an executive officer, director or manager, or serves in a similar capacity with respect to the buyer, as determined by the Husker Ag Board of Directors in its sole discretion based on the facts and information available to the Board. The buyer will be required to represent to Husker Ag in the Transfer Request Form that buyer and buyer’s affiliates are currently in compliance with this requirement and will be in compliance with this requirement after such transfer, if the transfer of Units requested is approved.
- Notwithstanding any language herein to the contrary, in accordance with Section 10.9 of the Husker Ag Operating Agreement and these Trading System Rules and Procedures, the Husker Ag Board of Directors determines the effective date of the transfer, if approved, and provides notice to the buying and selling parties of such effective date of transfer.
- The Husker Ag Board of Directors has adopted a policy that the Trading System is intended to be the exclusive method of trading Units for value in transactions which would otherwise be applied against the Trading System’s maximum 10% annual limitation, except for extraordinary circumstances as determined by the Board in its sole discretion. Transfers such as bona fide gifts and transfers upon death which are not included in the 10% annual maximum limitation are not included in the policy.

HUSKER AG, LLC TRADING SYSTEM

TRANSFER REQUEST FORM

The undersigned proposed seller (“Seller”) and proposed buyer (“Buyer”) of Husker Ag, LLC membership units (“Units”) hereby submit this Transfer Request Form to the Husker Ag, LLC Board of Directors pursuant to the Husker Ag, LLC (“Husker Ag”) Trading System Rules and Procedures. **The undersigned represent and warrant to Husker Ag that they have followed, and will follow, in all respects the Husker Ag Trading System Rules and Procedures, including without limitation, restrictions on the payment of the purchase price.**

The undersigned parties have entered into a purchase agreement for Husker Ag Units, an executed copy of which is attached to this Transfer Request Form. In addition, Buyer has enclosed with this Transfer Request Form a duly executed Membership Basic Information Form.

The undersigned parties acknowledge and agree to the following:

(1) The transfer of Husker Ag Units is restricted under the terms of the Husker Ag Fourth Amended and Restated Operating Agreement, as amended (the “Operating Agreement”).

(2) No transfer can take place without the prior written approval of the Husker Ag, LLC Board of Directors. No member may transfer any Unit if such transfer would cause Husker Ag to be treated as a publicly traded partnership for federal tax purposes. An opinion of Husker Ag’s legal counsel with respect to compliance with federal tax law is required before the Board of Directors will consider the approval of a transfer.

(3) Under Section 4.3 of the Operating Agreement, no member together with its “affiliates” may own more than 30% of Husker Ag’s Class A membership units (if applicable) or 30% of Husker Ag’s total outstanding Class A and Class A-1 membership units. An “affiliate” of the Buyer is defined as any other person (which includes legal entities as well as individuals) (a) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with the Buyer, or (b) that is an executive officer, director or manager, or serves in a similar capacity with respect to the Buyer, as determined by the Husker Ag Board of Directors in its sole discretion based on the facts and information available to the Board. The undersigned Buyer represents to Husker Ag that Buyer and Buyer’s affiliates are currently in compliance with this requirement and will be in compliance with this requirement after such transfer, if the transfer of Units requested hereunder is approved.

(4) The undersigned parties understand that additional information may be requested, including certification of relevant facts necessary for a legal opinion, and that after review by Husker Ag’s legal counsel, the Board of Directors will notify requesting parties of its decision. The undersigned further understands that a Transfer Request Form must accompany each contract for sale entered into by the undersigned during a single trading quarter under the Husker Ag Trading System. There is no fee charged by Husker Ag in connection with this Request for Transfer.

(5) In accordance with Section 10.9 of the Operating Agreement and the Trading System Rules and Procedures, the Husker Ag Board of Directors shall determine the effective date of the transfer, if approved, and shall provide notice to the undersigned parties of such effective date of transfer.

Request for Transfer:

In accordance with the foregoing, the undersigned parties hereby request approval to transfer _____ Membership Units (Class A ____, AA ____, A-1 ____) pursuant to the attached contract for sale of Husker Ag Units.
